

Ceremony
1952

20 May 1952

Dear Mrs. Haring:

Confirming our telephone conversation of this morning, I have pleasure in sending you and Dr. Haring, a copy of Judge Allen's remarks made on Sunday, at the ceremony. As I told you over the telephone, she deviated from her paper slightly, but that I feel you will have to explain to Dr. Haring.

It was kind of you to speak so graciously of the ceremony, and I appreciate it very much.

Cordially yours,

Bertha L. Lyons (Mrs. N.)
